We are Sandis Design, specializing in outstanding creative floral and greenery arrangements for special events of all sizes, including banquets and weddings throughout the Sacramento Valley and Foothills area.

We pride ourselves on providing the highest quality arrangements and personal service for all occasions.

We will work with you every step of the way to make sure you receive the designs and services you want. Our business is client-oriented, and we maintain strict confidentiality.

We initially meet with you at your wedding and reception site to ensure we understand what you want. We then meet you a second time at a location convenient to you to present a professional proposal package including:

- A summary description of your wedding*
- Photographs and descriptions highlighting floral locations*
- A floor plan drawing displaying floral placement*
- A list of any outstanding questions ensuring communication is accurate and complete*
- A floral wedding schedule of necessary tasks and events*
- A detailed proposal and pricing list*
- A floral wedding glossary of common terms*

In addition we show you photos of various flowers and greenery and will prepare artist sketches of arrangements if necessary.

At Sandis Design we provide:

- Targeted arrangement planning for your specific goals*
- Expert assistance in the selection of the right flowers and greenery*
- Selection of props or custom build to your specifications*
- Outstanding professional services*
